

Sachin Soni

Front End Developer

About

I am a fresh BSC-IT graduate seeking a front-end developer's position that can help enhance my knowledge, upgrade my development skills, and give me the right path for my career.

My goal is to be a MERN-stack Developer. I am hardworking and ethical towards my work, and comfortable working with remote options. I like to learn something new in every aspect of my life and not only work.

Education

- Ghanshyamdas Saraf College (BSC-IT) (2021- 2022)
